About B-TIC

Business and Technology International Campus, is one of the UK's premier Academic, Cooperate and Vocational Training Institutions.

B-TIC employs an experienced international faculty to deliver PhD, Master's, Bachelor's and Diploma programs globally. Our real-world and the academic expert faculty transfer hands on knowledge to our students, they can apply and practice in the real world the next day and enhance their career opportunities in multiple fields.

We are a "Tech Savvy" institution that enable our students to study from anywhere in the world at their own convenience using our virtual resources. Our highly interactive "Virtual Live Lectures" are very popular among our international student's community. The lectures are scheduled to fit in with different time zones and busy work schedules. Students around the world is able to study comfortably. Live session recordings are provided for further reference in addition to face to face lectures.

Why Choose B-TIC?
